The Cinnaminson Athletic Association is a not-for-profit organization run strictly by volunteers to provide football programs for the youth of the community. The annual cost to run the programs are approximately \$25,000. This price includes all of the necessary protective gear, uniforms, league fees, officiating fees, insurance cost and other costs associated with running the program. Registration fees equate to approximately 55% of the amount needed to run the program. Corporate sponsorships assist Cinnaminson Athletic Association in keeping costs down. The rising costs to keep our members informed, insured, and serviced are offset by the generosity of companies such as yours and is an important building block to the success of these programs.

This year as in past years, we are looking for help from the local business community. Additionally, we are looking to those affiliated with our program who are employed by companies and organizations that participate in sponsorship programs. Below you will find our sponsorship opportunities for the 2020 season. If you have other ideas of how you can help our organization with fund raising, please let us know. If you can help in any way regarding this request, the Cinnaminson Athletic Association Board members and the players in our program say “Thank You”.
